

MEMORANDUM

FOR: ITA Providers and DOL Staff

FROM: Executive Director, Delaware Workforce Investment Board

DATE: May 22, 2017

SUBJECT: Provider Performance Measures and the Impact on Next Year's Renewal

References. Federal Register /Vol 81, No. 161/ Friday, August 19 2016, Part VI, Department of Labor, Employment and Training Administration, 20 CFR Parts 603, 651, 652, et al. Workforce Innovation and Opportunity Act; Final Rule, section 680.460 (g).

1. Purpose. This memo reminds providers, the DWDB will evaluate program effectiveness next year during the June 2018 Subsequent Renewal Period. Although US DOL is still determining the format and methodology for gathering the information, it is nonetheless important for providers to remember program success is essential for renewals.

2. Required Information. According to 20 CFR Parts 603, 651, 652, et al. Workforce Innovation and Opportunity Act; Final Rule, section 680.460 (g). states, "The information requirements that the governor establishes ... must include:

- (1) The percentage of program participants who are in unsubsidized employment during the second quarter after exit from the program;
- (2) The percentage of program participants who are in unsubsidized employment during the fourth quarter after exit from the program;
- (3) The median earnings of program participants who are in unsubsidized employment during the second quarter after exit from the program;
- (4) The percentage of program participants who obtain a recognized postsecondary credential, or a secondary school diploma or its recognized equivalent during participation in or within 1 year after exit from the program;
- (5) Information on recognized postsecondary credentials received by program participants;
- (6) Information on cost of attendance, including costs of tuition and fees, for program participants;
- (7) Information on the program completion rate for such participants."

3. Please keep these requirements in mind as you develop your programs. The DWDB will provide additional information as it becomes available.
